SERIES

Minimalism Meets Mastery

Slimline is India's first single-point fabricated aluminium system that brings seamless visual finesse to modern spaces. For those who demand clean lines, quiet operation, and globally benchmarked quality, this is your frame.

Core Benefits:

- » Ultra-slim sightlines with casement and sliding options
- » Silent closing, zero-gap joinery
- » Ensures superior water tightness with precision-sealed frames that keep interiors dry and protected.

Recommended For:

Luxury homes, minimalist interiors, villas, premium hospitality projects.

Features That Frame with Finesse

1 Engineered with wool pile and gaskets to reduce noise, wind, and dust, ensuring quiet comfort in every slide.

2 Reinforced interlocks and handles built to handle extreme rain and wind with ease.

3 Twin-screw overlap construction with custom inserts eliminates vibration, noise, and structural gaps.

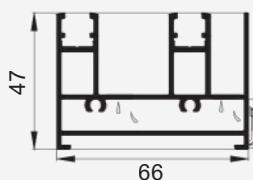

4 Exclusive insert technology prevents water seepage and ensures seamless frame durability.

5 Extruded tracks hold shutter weight with zero sagging or denting, perfect for long-term performance.

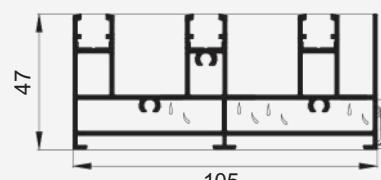

6 One-way valve caps drain water efficiently while keeping wind and dirt out.

SLIMLINE

SLIDING

- Sliding Windows
- Sliding Doors

Slimline Sliding Windows move with quiet precision, gliding horizontally to invite light and air without intruding on your space. Ideal for modern homes, narrow openings, or design-forward interiors where every inch counts, they combine clarity with ease, offering seamless ventilation with minimal visual noise.

SLIMLINE

CASEMENT

- Casement Windows
- Casement Doors

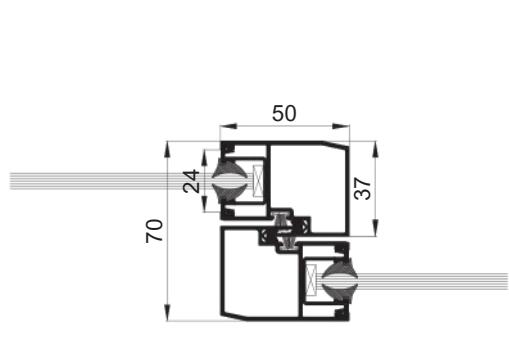

Slimline Casement Windows are side-hinged panels that open outward with a smooth crank, perfect for capturing breeze and framing the outdoors. Designed for kitchens, stairwells, and elevated views. They offer full ventilation, tight sealing, and fingertip control, all in a silhouette that stays sleek and refined.

SPACES FRAMED BY MYWINDOW

Kasturi Lords

Location: Pune

Nestled in the heart of Shivajinagar, Kasturi Lords Estate is a boutique, 13-storey, high-end residential tower by Kasturi Housing. Featuring just 10 ultra-spacious 4 BHK apartments (~2,950 sqft each), this project showcases MyWindow's Slimline Series system, adding elegance, acoustics, and panoramic light control.

Ceebros One 74

Location: MRC Nagar, Chennai

Located on the picturesque Adyar Sea Face, One 74 offers 3-4 BHK premium apartments (~2,200-6,080 sqft). MyWindow designed a unique sliding louver system, which enhances the look of the elevation.

Project Portfolio

SPACES FRAMED BY MYWINDOW

MANGO VILLA

Location: Assagao, Goa

Tucked away in the serene village of Assagao, Mango Villa by Sun Estates blends Goan tropical charm with refined luxury. MyWindow's Slimline Series frames the villa's seamless indoor-outdoor transitions, offering whisper-quiet sliding, expansive light flow, and minimalist elegance in every room.

Akshar Árbol International School

Location: Injambakkam, Chennai

This IB curriculum school emphasizes natural light, cross-ventilation, and climate-sensitive architecture. MyWindow supplied customized Pleated Mesh Systems and Slide & Fold units for courtyard connectors and shaded indoor/ outdoor transitions.

Clients Who Inspire Confidence

Frame Your World

Since 2014, MyWindow has redefined what a window can mean in Indian architecture, transforming it from a structural necessity into a soulful, lifestyle-enhancing element. Rooted in design, driven by innovation, and built with precision, we craft aluminum system windows and doors that stand the test of time, weather, and style.

We believe in creating windows that frame more than just views, they frame life. From bustling cities to serene retreats, MyWindow is committed to elevating how people see, feel, and live inside their spaces.
